

REMARKS

The foregoing amendment is deemed to place the present application in condition for allowance.

The cancellation of composition claims 1-10 and claims 22-28 directed to a kit for the treatment of cancer are deemed to remove the claim objections set forth at the top of page 2 of the Office Action. Furthermore, the cancellation of these claims is deemed to remove the rejection under 35 USC Section 103 as set forth on page 5 of the Office Action.

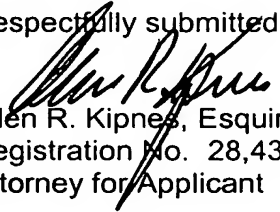

Method claims 11-21 have been amended to limit the type of cancers that are treated by the methods to those specifically set forth at page 25, lines 1-3. Accordingly, it is submitted that the rejection of claims 1-28 under 35 USC Section 112 set forth on pages 2-4 of the Office Action is deemed overcome.

In view of the foregoing, Applicants submit that the present application is in condition for allowance and early passage to issue is therefore deemed proper and is respectfully requested.
